SUPPLEMENTAL AMENDMENT

Director of the U.S. Patent and Trademark Office  
Washington, D.C. 20231

RECEIVED  
MAR 29 2002  
Technology Center 2600

Sir:

In further reply to the Office Action marked November 29, 2001 and further to the amendment filed on February 28 and the March 12 personal interview, please amend the above-identified application as follows:

IN THE CLAIMS:

Please replace claims 14-17, 19 and 20 as follows:

14. (Twice Amended) An internet facsimile machine capable of executing facsimile transmission via an internet to an addressee using a computer installed with an application program for execution of internet facsimile transmission, comprising:

analyzing means for analyzing a data structure of data of address information registered on the basis of an electronic application program which is already in operation;

reading means for reading the data of address information analyzed by the analyzing means; and
